To be completed by school official:

Student is considered to be in good standing? Y or N

Class Size: _____ Class Rank: _____

Mark your assessment:	Above Average	Average	Below Average
Work Ethic			
Attitude			
Leadership			

At Roger's our curriculum is based upon three main areas of learning. We "Reflect" upon our subject, setting goals to achieve success.

When reflecting upon your High School experience, what were some goals you set for yourself and did you succeed in completing them?

After setting our goals we begin the "Engage" portion of our educational journey. Researching, and gaining knowledge through group discussion, classroom discoveries and active participation.

What area of Cosmetology do you feel would be most engaging and interesting to you?

Finally you will have the opportunity to "Perform" those skills you have acquired throughout the duration of the goal achieving process. This is your time to shine!

What motivates you to perform to your best ability?
