

POLICY AND PROCEDURES for the CARES Act

04/30/2020

As a result of the recent pandemic, the US government has made emergency funds available to students. Roger's Academy of Hair Design will administer those funds to students that have filled out the COVID-19 Certification form and are eligible. Eligible students include those who have completed the FAFSA (Free Application for Federal Student Aid) application, are enrolled as of 4/10/2020, and are currently making SAP (satisfactory academic progress).

It is the intent of Roger's Academy to allow each student to answer the question of a changing family financial situation due to Corona virus which will make that student eligible to receive funds.

Once all Certification Forms are returned, we will calculate how many students indicate need and divide that number by the total amount of funds that are to be distributed to students.

This emergency student funding is only available to students that are enrolled and attending classes as of 4/10/2020. Students on an Approved Leave of Absence are also allowed to participate in the survey and receive funds.

Roger's Academy feels this is the best way to distribute these funds and the most effective way to make sure that those that need the help get it. We will not discriminate in the disbursement of funds, as they will be disbursed evenly to qualifying students.

We will ask all students to verify their current address so the checks can be mailed. It is our privilege to facilitate the disbursement of these emergency funds to our students during a time of disruption to normal life and school attendance.
